ABOUT US

Who We Are

BrineBox is a freight forwarding company built to help businesses move cargo across borders with clarity and confidence. We handle the complexity of international logistics — documentation, coordination, and compliance — so our clients can focus on growing their business.

Our Mission

To simplify international shipping for businesses in Pakistan through reliable, transparent, and responsive freight solutions.

Our Vision

To become a trusted logistics partner for Pakistani importers and exporters on every major global trade route.

Core Values

Integrity · Transparency · Accountability
· Client-First Thinking

What We Offer

Ocean Freight

FCL and LCL options across major trade lanes. Cost-effective for high-volume or time-flexible cargo.

Air Freight

Expedited shipping for time-sensitive or high-value goods. Global airport network coverage.

Road Transportation

Door-to-door inland movement across Pakistan and regional borders. Last-mile coordination included.

Customs Clearance

Full regulatory compliance and documentation support. We manage the process end to end.

Warehousing

Secure short-term storage with inventory handling. Flexible terms aligned to your shipment schedule.

Supply Chain Solutions

End-to-end logistics planning tailored to your business. From origin to final delivery.

Industries We Serve

Manufacturing

Raw materials and finished goods movement with schedule alignment.

Textiles & Apparel

Export-ready logistics for Pakistan's leading textile sector.

Automotive

Parts and components with precise timing and handling.

Healthcare

Temperature-controlled and time-critical medical shipments.

Retail & Consumer Goods

High-frequency replenishment with reliable lead times.

Industrial Equipment

Oversized and project cargo with specialized handling.

Construction

Materials and machinery transport to project sites.

Importers & Exporters

Tailored solutions for cross-border trade compliance and efficiency.

Trade Lanes We Serve

BrineBox connects Pakistan to the world's most active trade corridors. Our network spans key regions where Pakistani businesses import and export most frequently.

→ Pakistan

Origin and destination hub for all operations.

→ China

Major manufacturing imports via sea and air.

→ Middle East

UAE, Saudi Arabia, and GCC trade corridors.

→ Europe

UK, Germany, and EU import-export lanes.

→ North America

USA and Canada freight connections.

→ South Asia

Regional trade with India, Bangladesh, and Sri Lanka.

The BrineBox Difference

Transparent Communication

Real-time updates and clear documentation — no surprises, no hidden fees.

Flexible Freight Solutions

Adaptable options tailored to your cargo type, timeline, and budget.

Reliable Documentation Support

We manage customs paperwork, bills of lading, and compliance requirements.

Tailored Logistics Planning

Every shipment is planned around your specific business needs.

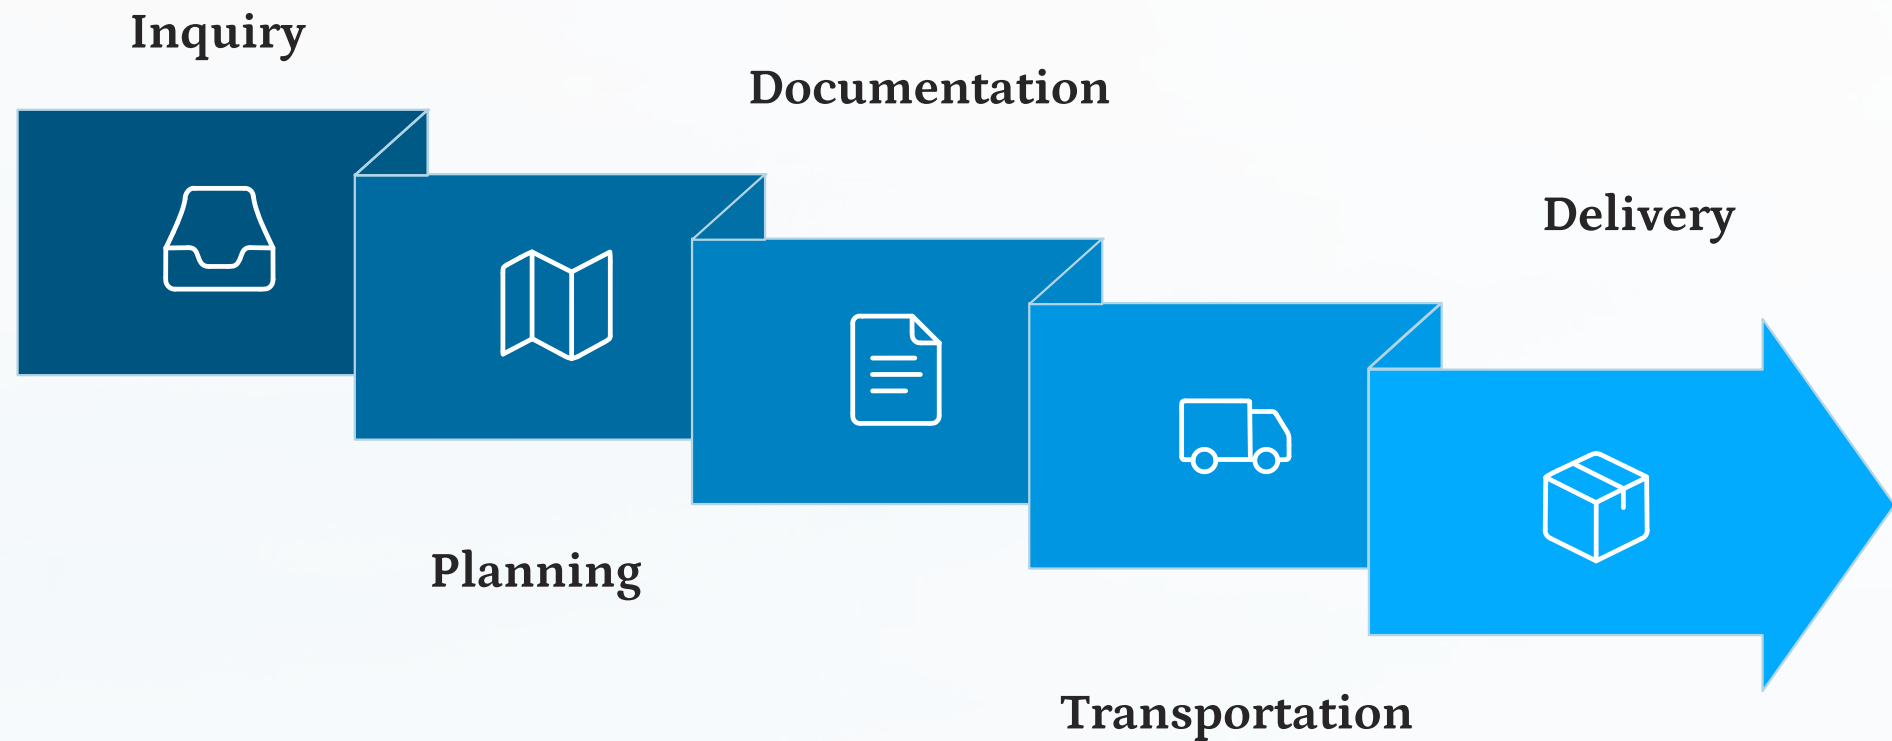

Responsive Coordination

Dedicated point of contact for every shipment, from inquiry to delivery.

Long-Term Partnerships

We build relationships, not transactions. Your growth is our priority.

Our Process

From first inquiry to final delivery, BrineBox manages every step with precision and accountability. Our process is designed to reduce friction, minimize delays, and keep you informed at every stage.

Let's Build Reliable Logistics Partnerships

Whether you're shipping your first container or managing a complex supply chain, BrineBox Shipping is ready to support you. Reach out to discuss your freight requirements.
